THE POWER TO PROTECT BEGINS WITH YOU!

FLU+ COVID-19, RSV & PNEUMONIA
Immunization Toolkit

Kentucky Public Health
Prevent. Promote. Protect.

Flu, COVID-19, RSV and pneumococcal are contagious respiratory illnesses that can result in serious health issues for those not protected by immunizations.

Staying up to date on routine immunizations is the best way to protect the body from serious complications caused buy these four illnesses. These immunizations may even be given on the same day.
