Payment Allowance Limits for Medicare Part B Drugs

Effective July 1, 2016 through June 30, 2017

Note 1: Payment allowance limits subject to the ASP methodology are based on 4Q15 ASP data.

Note 2: The absence or presence of a HCPCS code and the payment allowance limits in this table does not indicate Medicare coverage of the drug. Similarly, the inclusion of a payment allowance limit within a specific column does not indicate Medicare coverage of the drug in that specific category. These determinations shall be made by the local Medicare contractor processing the claim.
