# INTRODUCTION

In accordance with Survey & Certification transmittal 12-13-NH dated December 16, 2011, States must obtain approval from the Centers for Medicare & Medicaid Services (CMS) for the use of federally imposed civil money penalty (CMP) funds. A copy of this transmittal is available on the CMS website at [www.cms.hhs.gov](http://www.cms.hhs.gov). Effective January 1, 2012, CMS has established a process for reviewing applications that seek funding to improve resident outcomes in certified nursing homes. Only CMP fund applications that meet the statutory intent of the regulations, Federal law and policy will be considered.

Special thanks to the Region IV– CMP Coalition for their assistance in developing this CMP Grant request form to promote consistency, transparency and best practices.

Region IV states include: Alabama, Florida, Georgia, Kentucky, Mississippi, North Carolina, South Carolina and Tennessee. Requests to use CMP funds may be made by various organizations and entities. Applications may be submitted by certified nursing homes, academic or research institutions, state, local or tribal governments, profit or not-for-profit, or other types of organizations.

# INSTRUCTIONS

- All CMP requests shall be submitted electronically and sent to the applicable State Agency (SA) utilizing the Region IV: CMP Grant Request form.
- Requests will not be accepted via facsimile.
- Requests shall include a cover letter addressed to the State Agency (SA) Director.

Representatives from any group requesting funding, or representatives who are in situations where a conflict of interest exists, must disqualify themselves from making recommendations.
- State Agency reviewers shall first assess the merit of each project and the ability of the project to improve resident outcomes and advance the care and services provided in certified long term care facilities.
- Applicants may contact the applicable state survey agency with questions regarding their CMP request.

Following State Agency review, the CMP request form shall be forwarded to the CMS electronic mail box for a decision.

- The mail box address is [ATLCMPGRANTAPPLICATIONPROPOSALS@cms.hhs.gov](mailto:ATLCMPGRANTAPPLICATIONPROPOSALS@cms.hhs.gov). Only CMP request forms reviewed by the SA should be forwarded to this mailbox.

- Upon receipt by CMS, CMP request forms shall be assigned a tracking number. The tracking number consists of the year, CMS regional code, state prefix, date code, application number and entity name. - If the State Agency has not received a response from CMS within 45 calendar days of receipt of a completed request, the State Agency may send a request for priority processing to [Stephanie.Davis@cms.hhs.gov](mailto:Stephanie.Davis@cms.hhs.gov) and [QualityAssurance@cms.hhs.gov](mailto:QualityAssurance@cms.hhs.gov).
- CMS' regional office has final authority to approve requests. If a request is approved, the organization or entity from which the request originated shall be required to submit a quarterly report on the status of the project to the CMS regional office and the State Agency.
- A follow-up report at the conclusion of the project/proposal shall be submitted within five (5) calendar days to CMS and to the State Agency. A second report monitoring the success of the project is to be submitted to CMS and to the State Agency within six months of the project conclusion. CMS Reports may be sent to:

Atlanta, Georgia 30303

Please be mindful that CMS is not able to approve projects in certain circumstances, such as:

### **Prohibited Uses**

- Conflict of Interest—CMS will not approve projects for which a conflict of interest exists or the appearance of a conflict of interest.
- States may not use CMP funds to pay entities to perform functions for which they are already paid by State or Federal sources.

- CMP funds may not be used to pay for capital improvements to a nursing home, or to build a nursing home.
- CMP funds may not be used to pay for nursing home services or supplies that are already the responsibility of the nursing home, such as laundry, linen, food, heat, staffing costs, etc.
- CMP funds may not be used to pay the salaries of temporary managers who are actively managing a nursing home.
- CMP funds may not be used to recruit or provide Long Term Care Ombudsman certification training for staff or volunteers, or investigate and work to resolve complaints.

### Tips for Preparing the CMP Form

- All nursing homes dually certified to participate in the Medicare program or nursing homes certified to participate in the Medicaid program shall include the CMS Certification Number (CCN) in the request.
- All organizations or entities shall include the Tax Identification Number (TIN).
- Be brief, concise and clear. Provide accurate information, including candid accounts of problems and realistic plans to address them. If any required information is omitted, explain why. Make sure the information provided in any table, chart, attachment, etc. is consistent with the proposed narrative and information in other tables.
- Be organized and logical. Reviewers should be able to readily follow the coherent and logical thought process of the applicant.
- Carefully proofread the request. Misspellings and grammatical errors will impede reviewers' ability to understand the CMP request. Be sure pages are numbered (including appendices) and that page limits are followed. Limit the use of abbreviations and acronyms, and define each one at its first use and periodically throughout request.
- Assemble and paginate the request as one pdf document, and use approved Times New Roman, 12 point font, for any appendices.
- Complete all sections of the request as instructed. Incomplete applications will be denied.
- Plan ahead and allow sufficient time for State Agency and CMS review and approval of the request.

**NOTE: If the use of CMP funds is approved, the organization or entity receiving funds may still be required to complete a state contract before the funds are released.**

**CONFLICT OF INTEREST PROHIBITION STATEMENT**

CMS will not approve projects for which a conflict of interest exists or the appearance of a conflict of interest. Similarly, we will generally not approve uses that commit CMS funding to very long term projects (greater than three years). By obliging the State to fund a long and large multi-year expense, we consider such projects to raise the appearance of a conflict of interest where the levy of future CMPs could be construed to be done for the purpose of raising revenue rather than for the statutory purpose of deterring or sanctioning poor quality. We will, however, consider each project in light of the specifics of each individual case.

**ATTESTATION STATEMENT**

CMP funds have been provided for the express purpose of enhancing quality of care and quality of life in nursing homes certified to participate in Title 18 and Title 19 of Social Security Act. Failure to use civil money penalty funds solely for certified nursing homes and for the intended purpose of the grant proposal is prohibited by Federal law. Failure to use the CMP funds as specified will result in denial of future grant applications and referral to the appropriate entity for Medicare/ Medicaid fraud and Program Integrity. The applicant shall disclose any conflicts of interest, including family relationships.
