

Transportation Broker
Provider Type 57
[603 KAR 7:080](#)

Only providers that have been awarded a contract through [Kentucky Department of Transportation's](#) (KYDOT) [Office of Transportation Delivery](#) (OTD), using the RFP process, and have passed the Readiness Test may apply.

Information about the program:

- Providers must maintain sufficiency in meeting the regional Medicaid population's needs for non-emergency medical transportation
- Provider must meet state standards for timely access of services
- Provider can only be an entity - NO INDIVIDUALS
- Provider shall be certified by OTD as a Transportation Broker
- Provider shall submit the Medicaid enrollment application with required supporting documentation to OTD for processing
- Upon certification that the provider meets the requirements to be a Transportation Broker, OTD will forward the Medicaid enrollment packet with the OTD certification approval letter to the Department for Medicaid Services (DMS) for processing. DMS will contact provider if any additional documentation or corrections are needed for enrollment

Application Information and Supporting Documentation required for processing:

- [Map-811 \(Enrollment\) application](#)
- IRS letter of verification of FEIN or Official IRS documentation stating FEIN. FEIN must be pre-printed by IRS on documentation. W-9 forms will not be accepted.

Submit the completed MAP-811 (Enrollment) application and supporting documentation to:
