Disaster SNAP Benefits Approved for Kentucky Counties Following EF-4 Tornado, Severe Storms

Residents and those employed in six counties can apply for emergency food assistance through Disaster Supplemental Nutrition Assistance Program. SNAP beneficiaries are eligible for replacement and could be eligible for supplemental benefits due to power outages.

FRANKFORT, KY (June 2, 2025) -- Residents of six Kentucky counties who were affected by severe weather, including the devastating EF-4 tornado that hit southeastern Kentucky on May 16, 2025, are eligible for Disaster Supplemental Nutrition Assistance Program (D-SNAP) benefits, approved June 2, 2025, by the U.S. Department of Agriculture Food and Nutrition Service.

D-SNAP offers short-term food assistance to individuals and families in counties that receive a federal disaster declaration that includes individual assistance. President Donald Trump issued a major disaster declaration for Kentucky on May 24, 2025, following the severe weather and tornadoes.

Additionally, residents who currently receive SNAP benefits can request and apply for a replacement of benefits due to power outages and other impacts. Any SNAP recipient can request replacement benefits whenever food purchased with SNAP benefits is destroyed due to a household disaster.

Those residing or working in the following six counties are eligible to apply for D-SNAP assistance from June 5, 2025, through June 12, 2025: **Caldwell, Laurel, Pulaski, Russell, Trigg and Union.**

“Team Kentucky is grateful for this emergency funding to help feed Kentuckians who have been devastated by this historic storm,” said Gov. Andy Beshear. “We’ve been through a lot already

this year, and it's important we continue to lift each other up and work together to provide every resource possible to recover and rebuild.”

Prospective applicants should call the Department for Community-Based Services' call center for D-SNAP at **1-855-306-8959**; this is the fastest way to receive benefits. Applications may be made at a DCBS office at the addresses below from Monday to Saturday, 8:00 a.m. to 4:30 p.m., and are closed on Sunday, June 8, 2025. The Disaster Recovery Center (DRC) sites in Laurel and Pulaski County will be taking DSNAP applications, Monday through Saturday, 9:00 a.m. to 7:00 p.m.

Caldwell County
300 MicBeth Drive
Princeton, KY 42445
