Gov. Beshear Provides COVID-19 Update

FRANKFORT, Ky. (Feb. 10, 2021) – On Wednesday, Gov. Andy Beshear announced the state’s positivity rate has decreased again to 7.5%.

“We are still seeing far too many deaths, but this decreased positivity rate is a really hopeful leading indicator,” said Gov. Beshear. “We have come so far in our fight against this virus – now, we need to hang on until we reach the finish line.”

This afternoon, Gov. Beshear updated Kentuckians on a hazardous winter storm system that is affecting communities across the state and will make travel dangerous today and Thursday. To learn more see the [full release](#).
