The Department for Aging and Independent Living will host a public hearing to review the amended Kentucky State Plan prior to submission to the Administration for Community Living. Upon approval by the Administration for Community Living, the updated plan will take effect and remain in effect through September 30<sup>th</sup>, 2028. The draft version of the amended state plan is available on the DAIL website here: [Department for Aging and Independent Living - Cabinet for Health and Family Services](#).

The public hearing is open to the public for anyone interested in the delivery of services and establishment of programs for older Kentuckians. The State Plan includes all assurances and plans to be conducted by the Department for Aging and Independent Living under the provisions of the Older Americans Act, as amended, during the period identified above. DAIL is primarily responsible for the coordination of all State activities related to the purposes of the Older Americans Act, i.e., the development of comprehensive and coordinated service systems and nutrition services, and to serve as the effective and visible advocate for older Kentuckians. We look forward to your participation in the meeting and welcome your comments and suggestions. For more information, contact Marnie Mountjoy at (502) 229-5229 or [marnie.mountjoy@ky.gov](mailto:marnie.mountjoy@ky.gov)
