Contact List for Kentucky Psychiatric Residential Treatment Facilities

Level 1

Psychiatric Residential Treatment Facility means either a licensed:
(a) **Level 1** community-based, and home-like facility with a maximum of nine (9) beds which provides inpatient psychiatric residential treatment to residents age six (6) to twenty-one (21) years who have an emotional disability or severe emotional disability as defined in KRS 200.503, with an age range of no greater than five (5) years at the time of admission in a living unit; or
(b) **Level 2** home-like facility that provides twenty-four (24) hour inpatient psychiatric residential treatment and habitation to persons who:

1. Are ages four (4) to twenty-one (21) years, with an age range of no greater than five (5) years at the time of admission to the facility;
2. Have a severe emotional disability as defined by KRS 200.503 in addition to severe and persistent aggressive behaviors, intellectual disability, sexually acting out behaviors, or developmental disability; and
3. Do not meet the medical necessity criteria for an acute care hospital or a psychiatric hospital and whose treatment needs cannot be met in an ambulatory care setting, Level 1 psychiatric residential treatment facility, or other less restrictive environment. KRS 216B.450(5)

KRS 216B.455 Certificate-of-need requirement for Level 1 psychiatric residential treatment facilities -- Licensure -- Certification -- Restriction on location -- Restriction on number of beds -- Care and services for persons discharged from Level 1 and Level 2 facilities. KRS Chapter 216B

The most current listing of PRTFs is available at the Kentucky Cabinet for Health and Family Services, Office of the Inspector General, Division of Certificate of Need, Inventory of Health Facilities and Services' webpage. Annual Health Care Facilities and Services Reports are available here. Kentucky Department for Medicaid Services provides information about PRTF Level 1 Services here and here.
