

Bridging the gap between recovery and workforce

Strategic Initiative for Transformational Employment (SITE) is an initiative managed by EKCEP and is designed to help individuals active in their recovery from substance use issues get back in the workforce.

You are eligible if:

- You have a history of addiction
- You are in a treatment program or have completed a treatment program
- You are in early recovery
- You have a desire to join or rejoin the workforce

In addition to assistance with paid work-based learning opportunities, SITE can help with:

- Supportive services
- Transportation
- Housing
- A team-based approach
- Success coaching
- Job entry & retention support
- Access to peer support services
