## Louisville-area job seekers:

If you want a career where you can make a difference, please consider joining us at DCBS.

The Jefferson Service Region's DCBS staff help vulnerable children, adults and families through services that keep them healthy and safe.

And Jefferson County DCBS employees now receive extra pay, called a locality premium, of \$4/per hour. This is in addition to other recent salary increases.

We have offices throughout the county - plus some remote work options. And there are many great state benefits.

New applicants are welcome, as well as staff who previously worked at DCBS and want to return to make a difference for families in our Louisville community.

You can make a difference at DCBS!
