

Superhero Misty Morgan – April 2022 Vision

Two Rivers FSOS Misty Morgan named Superhero

Congratulations to our newest DCBS Superhero, Misty Morgan. Misty is a Family Services Office Supervisor in the Two Rivers Service Region.

Misty's nominator said she treats both clients and coworkers with respect. "Misty has been with DCBS for 20 years," they wrote "She provides excellent customer services and treats all individuals with respect and compassion. Misty is direct and straightforward with her team, community partners and clients."

Misty's team has been short-staffed for the last year.

But she has rarely complained and continued to provide the services to her community and clients we serve. Misty has continued to remain upbeat at work, even with the long hours she is working.

"She is a leader and has stepped up to the task when she had ZERO workers in her office," her nomination reads. "She continued to carry ongoing cases, investigations and after-hours on call when needed. She takes initiative and asks for help from regional management when she has exhausted her own efforts to solve a problem."

Her nominator said she has used her resources to ensure all job tasks are completed to the best of her ability. "She has been a worker and supervisor for almost a year. When she had one worker on the team, she became the supervisor and field trainer for her new worker. She went out with her new worker to help mentor her as she began her job with the Cabinet."

Misty is always happy, her nominator said. "No matter how challenging things may be she remains upbeat and has a sense of humor. She is committed to the agency and the clients her office serves. She is grateful for the help she has received from others and rarely complains about the lack of staff. She continues to do the best she can daily!"

A breast cancer survivor, Misty is described as "a fighter," a mother of a daughter, who is her true pride and joy. "She is an excellent friend and colleague. She is a SUPERHERO, she is dedicated and when others would have given up, she just keeps going!"

Congratulations Misty!
