

**HIGHLIGHTS OF CHILD CARE PROVIDER REQUIREMENTS IN KENTUCKY**

	<b>Licensed Child Care Center (Type I)</b>	<b>Licensed Child Care Homes (Type II)</b>	<b>Certified Family Child Care Homes</b>	<b>Registered Provider</b>
<b>Program Definition</b>	A licensed type I child care facility is a facility that regularly provides child care services for four (4) or more children in a non-residential setting; or thirteen (13) or more children in a residential setting.	A licensed type II childcare facility is the primary residence where childcare is regularly provided for at least seven (7), but no more than twelve (12) children, including no more than (12) children related to the licensee.	A certified family child care home is a provider who cares for a child in their own home; and doesn't exceed six (6) unrelated children at any one (1) time; or four (4) related children in addition to six (6) unrelated children for a maximum of ten (10) at any one (1) time.	A registered provider is a family, friend or neighbor who provides care for no more than 3 children on the CCAP program.
