COMMUNITY COLLABORATION FOR CHILDREN

Community Collaboration for Children (CCC) focuses on the prevention of child abuse and neglect by offering monthly **Regional Network Meetings** in local communities and **In-Home Services** to families. Our staff empowers families and encourages communities to work together for the well-being of families and children.

CCC Services are available statewide in all 120 counties!

REGIONAL NETWORK

The Regional Network consists of local community partners from family and child-serving agencies as well as parents, local citizens, and schools. The Regional Network meets monthly to make decisions about activities that focus on child abuse prevention. We need representatives from all of our communities to help spread the word as far and wide as we can!

To participate in a CCC Regional Network, please email ccc.referral@ky.gov

IN-HOME SERVICES

In-Home Services are intensive, short-term services that occur in the home and focus on addressing each family's unique challenges. They are free and available to all families regardless of your income or insurance status. There are funds available to assist with supports to assist families meet their basic needs.

Our services focus on empowering the family unit by teaching parenting skills, problem-solving methods, and coordinating available community resources.
