

FY27 AFD & WAIVER PROCESS TIMELINE

Below is the information for the FY27 AFD and Waiver review process.

FY27 AFDs & Waivers

- All waivers and AFD requests will be due, uploaded to FRYSC Counts on the district page, to RPMs by May 15th. (This aligns with Chris's funding info email)

For AFD requests, please have the request on district letterhead and include the budget spreadsheet and Terms & Conditions form, signed.

For waivers, please complete the waiver form that may be found on the FRYSC website.

Please have ALL requests uploaded to the DISTRICT page of FRYSC Counts. This makes it easy to pull all documents needed for review.

- Each RPM will review and complete the google doc (link below), noting RPM approval, by May 20th, 2026.

Please email me once your review of your region is complete and the google doc has been completed. This way we have all necessary information needed to process the requests and are able as timely as possible.

- All approvals will be uploaded onto the district page by May 28th, 2026.

Each RPM will be contacted via email once all approvals/denials are uploaded to the district page on FRYSC Counts.
