7 example, licensed clinical social worker) of the provider.

8 (b) Initials, typed signatures, or stamped signatures shall not be accepted.

9 (c) Telephone contacts, family collateral contacts not covered under this administrative  
10 regulation, or other nonreimbursable contacts shall:

11 1. Be recorded in the notes; and

12 2. Not be reimbursable.

13 (11)(a) A termination summary shall:

14 1. Be required, upon termination of services, for each recipient who received at least three (3)  
15 service visits; and

16 2. Contain a summary of the significant findings and events during the course of treatment  
17 including the:

18 a. Final assessment regarding the progress of the individual toward reaching goals and  
19 objectives established in the individual's plan of care;

20 b. Final diagnosis of clinical impression; and

21 3. Individual's condition upon termination and disposition.

22 (b) A health record relating to an individual who was terminated from receiving services shall  
23 be fully completed within ten (10) days following termination.

1 (12) If an individual's case is reopened within ninety (90) days of terminating services for the  
2 same or related issue, a reference to the prior case history with a note regarding the interval  
3 period shall be acceptable.

4 (13)(a) Except as established in paragraph (b) of this subsection, if a recipient is transferred or  
5 referred to a health care facility or other provider for care or treatment, the transferring CMHC  
6 shall, if the recipient gives the CMHC written consent to do so, within ten (10) business days of  
7 the transfer or referral, transfer the recipient's health records in a manner that complies with the  
8 health records' use and disclosure requirements as established in or required by:

9 1.a. The Health Insurance Portability and Accountability Act;

10 b. 42 U.S.C. 1320d-2 to 1320d-8; and

## REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Administrative Regulation #: 907 KAR 1:044

Cabinet for Health and Family Services

Department for Medicaid Services

Agency Contact Persons: Jonathan Scott, (502) 564-4321, ext. 2015, jonathant.scott@ky.gov; and Krista Quarles, (502) 564-6746, CHFSregs@ky.gov

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation establishes the behavioral health coverage provisions and requirements regarding Medicaid program services provided within a community mental health center (CMHC).

(b) The necessity of this administrative regulation: This administrative regulation is necessary to comply with federal mandates. Section 1302(b)(1)(E) of the Affordable Care Act (42 U.S.C. Sec. 18022). mandates that "essential health benefits" for Medicaid programs include "mental health and substance use disorder services, including behavioral health treatment" for all recipients.

(c) How this administrative regulation conforms to the content of the authorizing statutes: This administrative regulation conforms to the content of the authorizing statutes by complying with federal mandates and enhancing and ensuring Medicaid recipients' access to behavioral health services.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation will assist in the effective administration of the authorizing statutes by complying with federal mandates and enhancing and ensuring Medicaid recipients' access to behavioral health services.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: The amendment to this administrative regulation incorporates a new manual that is titled the Behavioral Health Services Manual for Community Mental Health Centers. This amendment also contains a definition for "approved behavioral health practitioner" and "approved behavioral health practitioner under supervision" instead of a listing of each provider and each service. This provides for more transparency and compactness in the administrative regulation and manual. The administrative regulation also contains a definition for the "ASAM Criteria", "paraprofessional practitioner under supervision", and "telehealth." New covered services include withdrawal management, medication assisted treatment, applied behavior analysis, chemical dependency treatment center services, and narcotic treatment programs if separately licensed. The amendment also updates language relating to prevention education with substance use risk factors and case management services for pregnant or postpartum individuals with a substance use disorder. The administrative regulation also requires a billing supervisor's signature within thirty (30) days when a service is delivered by an approved behavioral health practitioner under supervision.

(b) The necessity of the amendment to this administrative regulation: This administrative regulation is necessary to align with existing Office of Inspector General (OIG) administrative regulations, to implement an SUD 1115 waiver, to require compliance with the ASAM Criteria, and to provide additional formatting improvements.

(c) How the amendment conforms to the content of the authorizing statutes: This administrative regulation conforms to the content of the authorizing statutes by implementing an SUD 1115 waiver and making conforming amendments following amendments to 907 KAR Chapter 15.

(d) How the amendment will assist in the effective administration of the statutes: The amendments will assist in the effective administration of the statutes by providing additional clarity and requirements relating to all behavioral health services performed in CMHCs.

(3) List the type and number of individuals, businesses, organizations, or state and local government affected by this administrative regulation: CMHCs that wish to expand their behavioral health practice to include the newly covered services. There are currently 14 CMHCs.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment. All CMHCs utilizing approved practitioner under supervision will need to begin having a billing supervisor sign appropriate documents within 30 days. CMHCs that provide chemical dependency treatment center services or narcotic treatment program services will also need to acquire appropriate certification or licensure.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3). The entities referenced in paragraph (a) could experience administrative costs associated with enrolling with the Medicaid program.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3). The entities referenced in paragraph (a) will benefit by receiving Medicaid program reimbursement for providing behavioral health services to Medicaid recipients. Medicaid recipients in need of behavioral health services will benefit from an expanded base of providers from which to receive certain services.

(5) Provide an estimate of how much it will cost to implement this administrative regulation:

(a) Initially: DMS does not anticipate additional costs as a result of this administrative regulation.

(b) On a continuing basis: DMS does not anticipate additional costs as a result of this administrative regulation.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: The sources of revenue to be used for implementation and enforcement of this administrative regulation are federal funds authorized under the Social Security Act, Title XIX, and matching funds of general fund appropriations.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment. Neither an increase in fees nor funding is necessary to implement this administrative regulation.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This administrative regulation neither establishes nor increases any

fees.

(9) Tiering: Is tiering applied? Tiering is not applied as the policies apply equally to the regulated entities.

## FEDERAL MANDATE ANALYSIS COMPARISON

Administrative Regulation #: 907 KAR 1:044

Cabinet for Health and Family Services

Department for Medicaid Services

Agency Contact Persons: Jonathan Scott, (502) 564-4321, ext. 2015, jonathant.scott@ky.gov; and Krista Quarles, (502) 564-6746, CHFSregs@ky.gov

1. Federal statute or regulation constituting the federal mandate. Section 1302(b)(1)(E) of the Affordable Care Act (42 U.S.C. Sec. 18022).

2. State compliance standards. KRS 205.520(3) states: "Further, it is the policy of the Commonwealth to take advantage of all federal funds that may be available for medical assistance. To qualify for federal funds the secretary for health and family services may by regulation comply with any requirement that may be imposed or opportunity that may be presented by federal law. Nothing in KRS 205.510 to 205.630 is intended to limit the secretary's power in this respect."

3. Minimum or uniform standards contained in the federal mandate. Substance use disorder services are federally mandated for Medicaid programs. Section 1302(b)(1)(E) of the Affordable Care Act (42 U.S.C. Sec. 18022) mandates that "essential health benefits" for Medicaid programs include "mental health and substance use disorder services, including behavioral health treatment."

4. Will this administrative regulation impose stricter requirements, or additional or different responsibilities or requirements, than those required by the federal mandate? The administrative regulation does not impose stricter than federal requirements.

5. Justification for the imposition of the stricter standard, or additional or different responsibilities or requirements. The administrative regulation does not impose stricter than federal requirements.
