**Eric C. Friedlander**  
Secretary

**Lisa D. Lee**  
Commissioner

**TO:** Kentucky Medicaid Providers  
**FROM:** Lisa Lee, Commissioner  
Kentucky Department for Medicaid Services (DMS)  
**DATE:** December 30, 2020  
**RE:** COVID-19 Vaccine Providers

All Kentucky Department for Medicaid Services (DMS) providers seeking to receive and administer the COVID-19 vaccine must enroll with the Kentucky Department for Public Health (KDPH) as soon as possible. Please visit <https://govstatus.egov.com/ky-healthcare-guidance> for vaccine provider enrollment. A vaccine provider enrollment checklist is provided with instructions for enrollment. After reviewing the information, any questions related to vaccine provider enrollment should be directed to KDPH at [COVID19VaccineHelp@ky.gov](mailto:COVID19VaccineHelp@ky.gov).

DMS providers must abide by all standards set by KDPH, including following Kentucky's Vaccination Plan. Additionally, all providers must continue to abide by all billing standards established by DMS.

For new providers seeking to enroll with DMS, applications may be submitted through the Kentucky Medicaid Partner Portal Application (KY MPPA) at <https://medicaidsystems.ky.gov/Partnerportal/home.aspx>.

If a provider is looking to verify or update their current enrollment status, they can do so via the KY MPPA link. Additional information can be found on the DMS Provider Enrollment page at <https://chfs.ky.gov/agencies/dms/provider/Pages/providerenroll.aspx>.

At this time, all doses of the COVID-19 vaccine are supplied to providers at no cost from the federal government. DMS issued guidance on COVID-19 administration billing instructions which can be found at <https://chfs.ky.gov/agencies/dms/ProviderLetters/ProviderLetterCOVID19%20Vaccine%20121420%20V5.pdf>.

We encourage you to enroll as a COVID-19 vaccine provider to ensure access to this vaccination. We sincerely appreciate your time and dedication to Kentucky's Medicaid members.
