RE: Dental codes added for FQHCs and RHCs

The Kentucky Department for Medicaid Services (DMS) recently added the dental codes from the [KY Medicaid Dental Fee Schedule 2023](#) as payable codes to Federal Qualified Health Centers (FQHC)s and Rural Health Centers (RHC)s. This change is effective January 1, 2023. The added codes will reimburse FQHCs and RHCs a WRAP payment when the rendering provider is a Dentist. Providers will not be receiving two separate WRAP payments for dental and medical services provided on the same day.

This is a significant change that will allow FQHCs and RHCs to provide more comprehensive dental care to the Kentucky Medicaid population and help ensure that they continue to provide high-quality dental care to their patients.

If you have any questions, please email DMSWrapquestions@ky.gov.

Sincerely,

Justin Dearing
