**PROVIDER LETTER**

**TO:** Non-Emergency Medical Transportation Provider (PT 56 / PL #A-16)

**DATE:** September 24, 2023

**RE:** Inclusion of full Medicaid population for NEMT services for methadone treatment

The Kentucky Department for Medicaid Services is informing providers that Non-Emergency Medical Transportation (NEMT) services for methadone treatment in licensed Narcotic Treatment Programs have changed to include the entire Medicaid population. Formerly, NEMT services for this treatment were only offered to children under the age of 21 who are subject to EPSDT, former foster care youth, and pregnant women.

If you have any question concerning these changes, feel free to contact Division of Health Care Policy at [divisionofhealthcarepolicy@ky.gov](mailto:divisionofhealthcarepolicy@ky.gov).

Sincerely,

*Justin Dearing*
