RE: Oral Pathology Codes

The Kentucky Department for Medicaid Services has received several provider communications related to fee schedule changes impacting oral pathology codes specific to adults. We have reviewed the fee schedule and will be updating those codes payable for adults on the 2023 fee schedule. Dental oral surgeons will be able to bill for these codes.

If you have submitted claims and received denial due to non-coverage, please resubmit those claims to the appropriate managed care organization.

The Department appreciates the providers who reached out to us regarding this issue. We value your partnership as we continue to make improvements to the Medicaid Dental Fee Schedule. The 2023 Dental Fee Schedule can be found at:

Please email any questions to DivisionofHealthCarePolicy@ky.gov.

Sincerely,

Justin Dearing
