**RE:** Kentucky Specific Medicare Physician Fee Schedule Change

The Department for Medicaid Services has recently been made aware of a change in the Kentucky Specific Medicare Physician Fee Schedule. As a result of these changes, the Behavioral Health and Substance Abuse, Speech Therapy, Physical Therapy, Occupational Therapy and new codes for the Physician Fee Schedule and Providers that are reimbursed from the Medicare rates will see rate changes. Corrected rate changes have been made back to 01/01/2021. Those affected by the Fee Schedule change can expect to see claim adjustments by the end of this year.

If you have questions or concerns regarding this matter, please contact Rate Setting at (502) 564-8196.
