1. Welcome and Introductions-chair- Dr. Garth Bobrowski
2. Establish A Quorum (roll call)-chair{Dr. Garth Bobrowski, Dr. Phil Schuler, Dr. John Gray, Dr. Joe Petrey, Dr. Carol Braun}
3. Approval of Minutes from Previous Meeting (8/23)-chair
4. Old Business (DMS was going to look into)
 1. From last mtg. Why was a change made moving from 6 mo. to 12 mo. on restorative limitation?
 2. Dentists can't use the Community Health Worker CPT codes, but can use CDT codes,
 3. Other typos on the State's Web site Dental Fee Schedule
 1. i.e. cleanings were change to "per provider" per 6 months
 2. Code D2934-Esthetic coated SSC: Per (what?)per and it lists that it is for primary teeth, but also lists eligible teeth as Teeth1-32(permanent teeth)
 4. Request for fee increase for general dentists on adult cleanings and fillings- no response.
 5. Medicaid Forum Report- Dr. Bobrowski
 6. Other
5. New Business
 1. Change on the DMS Fee schedule concerning Oral Pathologists being now only paid if the patient is under 21. Is this a typo or has this major change been made? If this was changed , why was the TAC not consulted?
 2. What is the procedure when a dentist starts treatment on orthodontics, root canal, crown, dentures and the patient becomes Medicaid ineligible, but the dentist incurs lab bills, supplies and material bills?
 3. ADA fee report: ADA admits they made a Medicaid fee reimbursement reporting error and KY is 50th nationally in insurance reimbursements.
 4. A thought: develop a section of KMAP that helps members in **personal responsibility** in the care of their own bodies; in preventive measures, in nutrition, in basic knowledge of their bodies, keeping their appointments and in a commitment to change to a healthier lifestyle. Give rewards to members for this commitment : like in lowering their BP, getting a better A1C/blood glucose, PT improvements, decrease in cavity rate, finish a basic dental treatment plan and better oral health and then get rewards- not like it is now- getting \$100 gift card rewards for filling out a survey, or just breathing. In other words - reward good behavior.
