

Therapy TAC Agenda
Tuesday January 13th, 2026
8:30 EST meeting VIA ZOOM

Review and approval of September 9th, 2025 Minutes

Old Business:

1. Retro deactivations continue to be an issue. Providers continue to have recoupments for over a years worth of services.

New Business:

1. Federal CMS announced a \$50 billion rural health transformation program in 2026. Proposed increases to states average around 4.33%. Will Kentucky CMS increase the OT, PT and ST fee schedule to reflect the 4.33% increase?

Other Issues: From TAC members or public.

Recommendations to MAC
