

# FREE NARCAN® & TRAINING

Available for First Responder Agencies

## LIMITED TIME EXPANSION

April 2023, TO SEPTEMBER 31, 2023

### OVERVIEW

In 2019, the Kentucky Department for Public Health (KDPH) was awarded the First Responders-Comprehensive Addiction and Recovery Act (FR-CARA) Grant by The Substance Abuse and Mental Health Services Administration (SAMHSA). The goal of the FR-CARA Grant in Kentucky is to expand naloxone (NARCAN®) training and dispensing for first responders throughout rural Appalachian counties and to increase awareness for ongoing harm reduction activities and personal safety measures for opioid exposures.

### ELIGIBLE AGENCIES

The FR-CARA Grant applies to the following types of agencies/officials:

- Correctional Facilities (Detention Centers, Jails, Prisons, etc.)
- Emergency Management Agencies
- Emergency Medical Services (EMS)
- Fire Departments (Career & Volunteer)
- Law Enforcement Agencies (Constable, Fish and Wildlife, Police, Sheriff, State Police, etc.)
- Park Ranger Services
- Quick Response Teams
- Search and Rescue Teams
- Public Safety Offices (College, K-12 Schools, Universities)

### TRAINING

To receive NARCAN® through the FR-CARA Grant, all first responders from requesting agencies must be trained to administer the drug. Training focuses on recognizing/responding to an overdose, basic tenets of addiction, opioid exposures, and the roles of treatment and harm reduction programs. An instructor-led class offering first responder training credits is available through the Kentucky Fire Commission and online through KY TRAIN/KBEMS. Training can be requested by submitting the NARCAN® Request Form in the section below. Training can be requested by submitting the NARCAN® Request Form in the section below.
