

Instructions on How to Complete the Annual School Immunization Survey

Surveys for the 2021-2022 school year will be completed on the GenLog application. Each survey will be disseminated in a link form. This year, schools are asked to complete a survey for Kindergarten, Seventh, and Eleventh grade. Simply click the individual link for the grade(s) in which needs completed for your school.

Using the Annual School Immunization Survey worksheets and instructions, please complete all the required fields (as indicated by an *).

Updates to Survey for the 2021-2022 year:

- Schools are required to submit surveys for Kindergarten, Seventh and Eleventh grades only.

Once you complete all the fields, click Save. After you save, your answers will be submitted and you will be in compliance for survey submission.

IMPORTANT: You will NOT be able to revise any of your numbers after your survey has been submitted. **If you need to edit your survey please DO NOT submit a new survey.** Instead, contact the School Immunization Survey Coordinator to update the survey you already submitted.

If you miss the December 31st deadline, you may be subjected to a full certificate audit in the Spring of 2022.

Immunization Survey Information

Schools should use these instructions as a guide to complete the **GenLog** survey form. Vaccine specific instructions are not included in this document. Instead, they can be found directly on the survey in GenLog for each specific grade

All surveys are to be completed by **December 31, 2021**. If you do not complete the survey by this date, you will be subject to a full certificate audit in the spring.

The survey form cannot be changed because its content is written in the legislation (for further details, refer to 902 KAR 2:055). The following instructions are intended for clarity and to explain how to complete the survey.
