Section 1: KRS Reference

KRS 213.101 (7) By September 30 of each year, the Vital Statistics Branch shall issue a public report that provides statistics on all data collected, including the type of abortion procedure used, for the previous calendar year compiled from all of the reports covering that calendar year submitted to the cabinet in accordance with this section for each of the items listed in this section. Each annual report shall also provide statistics for all previous calendar years in which this section was in effect, adjusted to reflect any additional information from late or corrected reports. The Vital Statistics Branch shall ensure that none of the information included in the report could reasonably lead to the identification of any pregnant woman upon whom an abortion was performed or attempted. Each annual report shall be made available on the cabinet's Web site.

Previous annual abortion reports can be found at the following link: <https://www.chfs.ky.gov/agencies/dph/dehp/vsb/Pages/abreqadr.aspx>
