National Health Service Corps **Kentucky Heroes**

For almost 40 years, The National Health Service Corps has worked to expand primary healthcare to areas that are experiencing a shortage of healthcare providers. The need is still great in Kentucky; many of our people are still going without basic healthcare. The NHSC is looking for Kentucky heroes willing to meet this exciting challenge.

Join Us!
Become a Kentucky Hero

Join the NHSC and embark on a life-changing journey! You'll provide for the health needs of underserved Kentuckians while enjoying all the beauty, excitement, culture and adventure Kentucky has to offer.

Who is a Kentucky Hero?

- A Kentucky hero:
- Has the skills and compassion to help underserved people
- Utilizes modern technology to care for patients

Makes a significant contribution to their community

Primary Healthcare providers can receive up to \$145,000, tax free, for qualifying educational loans in exchange for a five (5) year service commitment at a

National Health Service Corps

approved site. Additional service commitments may be available until all qualifying educational loans are paid in full.

Clinics in underserved areas of Kentucky are modern, bright and utilize the latest medical technology to provide the highest quality healthcare for the entire family.

Want to Join the National Health Service Corps?

Are you a:

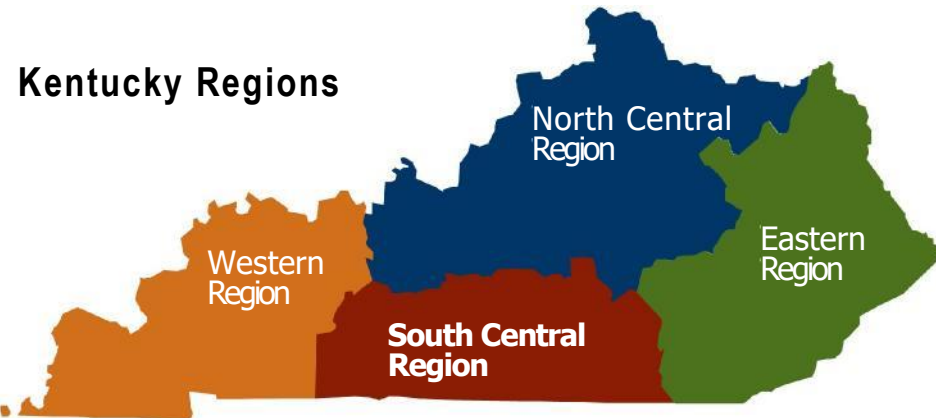

**Physician (MD or DO)
Nurse Practitioner
Physician Assistant
Dentist/Dental Hygienist
Mental Health Professional**

- Fully trained and licensed in a Primary Care discipline
- Work in a Health Professional Shortage Area (HPSA)
- Earn a competitive salary
- Be willing to make a two (2) year service commitment at an approved site
- Have outstanding qualifying educational loans

Where Would You Like to Serve the National Health Service Corps and Kentucky?

*Find the region that offers you what you want
and the community that needs your skills.*

Western Region—an outdoor lover’s adventure land; fishing, boating, hunting, hiking and wildlife viewing. An area of stunning natural beauty, music/performing arts and world famous barbecue. Includes the cities of Paducah, Owensboro and Hopkinsville

South Central Region-Kentucky’s playground of lakes, rivers, caves and Corvettes. Mammoth Cave National Park is the largest system of explored caves in the world. The finest fishing/boating in the eastern US can be found at Lake Cumberland. Includes the cities of Bowling Green and Somerset

North Central Region-the land of arts and crafts, horse racing, thoroughbred horse farms , wineries and distilleries. Relive Civil War history visiting forts, ante-bellum homes and the underground railroad. Encompasses the golden triangle-Lexington, Louisville and Covington

Eastern Region-the rugged beauty of an unspoiled paradise. Camping, hiking and beautiful vistas. Bordered on the east by the Appalachian Mountains and the west by the Daniel Boone National Forest. Includes the cities of Ashland, Pikeville and London
