

Breast Cancer Trust Fund (BCTF) GRANTEE FEATURE

BAPTIST HEALTH DEACONESS MADISONVILLE

Baptist Health Deaconess Madisonville is expanding its Breast Cancer Awareness Program to provide free mammograms to medically underserved adults across six rural counties in Western Kentucky. The Merle M. Mahr Cancer Center pairs these screenings with education to promote early detection and save lives. Community outreach and partnerships will help reach more women in need of care.

WHAT IS THE BCTF PROGRAM?

The Breast Cancer Research and Education Trust Fund offers community grants in support of local efforts designed to reduce the incidence of breast cancer. These efforts target the needs and challenges specific to underserved population groups and geographic regions.
