

# Breast Cancer Trust Fund (BCTF) GRANTEE FEATURE

## COMMUNITY INVESTMENT

Each year, BCTF continues to invest in passionate leaders and organizations dedicated to making a difference. If you're interested in becoming a recipient, visit our grants page to learn more about eligibility and application deadlines

### OLDHAM COUNTY

The Oldham County Health Department continues to build trust and expand care for its largely Hispanic, Spanish-speaking community. A longtime translator helps women feel welcomed and understood, while Kentucky Women's Cancer Screening Program (KWCS) services ensure uninsured patients can access essential breast screenings and diagnostics. These funds make it possible for more women to receive and share lifesaving care.
