

# Breast Cancer Trust Fund (BCTF) GRANTEE FEATURE

## STERLING HEALTH CARE

Sterling Health Care is helping more women in rural Kentucky access lifesaving breast screenings and follow up care. Serving nearly 7,000 women across the Gateway to the Appalachians, Sterling Health Care partners with local hospitals to bring care closer to home. Grant funds also support transportation assistance, patient incentives and new outreach efforts, including educational events and social media campaigns.

## DRIVING FOR A CURE

Displaying the Kentucky Breast Cancer Awareness license plate is a great way to raise awareness and show support for regular breast cancer screening and early detection. For every Breast Cancer Awareness License Plate purchased \$10 goes to the Breast Cancer Trust Fund.
