

# Breast Cancer Trust Fund (BCTF) GRANTEE FEATURE

## KENTUCKY CANCER LINK (KCL)

Kentucky CancerLink is helping more Spanish-speaking women across Kentucky get the breast care they need. Through partnerships with programs like Yes, Mamm! and the UK Comprehensive Breast Center, the team guides women to screening and diagnostic services close to home. With new connections to Baptist Health Hardin, even more communities will have access to these lifesaving resources.

## IMPACT OF THE BCTF GRANT PROGRAM

Since its inception in 1992, the BCTF grant program has empowered organizations and individuals dedicated to reducing breast cancer incidence and mortality in Kentucky. Through strategic funding, BCTF has helped drive meaningful change across communities.
