

## **Kentucky Secure Prescription Blank Printers** updated 8.2019

The following vendors have provided the Cabinet for Health and Family Services with sample secure prescription blanks that meet Kentucky requirements specified in 902 KAR 55:105. Blanks from other vendors may also meet requirements. For more information regarding this list or to update vendor information, please contact the Drug Enforcement and Professional Practices Branch at 502-564-7985.

NOTE: Electronic prescribing of controlled substances (EPCS) will be required by law in Kentucky effective January 1, 2021 with some exceptions. Please contact your Electronic Health Record system vendor to determine if your system has been certified for EPCS. After verifying your identity (identity proofing), a Credential Service Provider or Certification Authority will issue practitioners with two-factor authentication credentials to enable secure EPCS capability. Please review the DEA information regarding EPCS at:
