**SUBJECT: Survey Results
CMS Certification Number: 185332**

Dear Ms. Gaunce:

SUSPENSION OF SURVEY AND ENFORCEMENT ACTIVITIES

The Centers for Medicare & Medicaid Services (CMS) is committed to taking critical steps to ensure America's health care facilities are prepared to respond to the threat of disease caused by the 2019 Novel Coronavirus (COVID-19). In accordance with *Memorandum QSO-20-20-All*, CMS is suspending certain Federal and State Survey Agency surveys, and delaying revisit surveys, for all certified provider and supplier types.

During this time, CMS is prioritizing and conducting only the following surveys: focused infection control surveys, investigations of complaints and facility-reported incidents that are triaged at the Immediate Jeopardy (IJ) level, and revisit surveys for unremoved IJ level deficiencies. With the exception of unremoved IJs, CMS will also be exercising enforcement discretion during the suspension period. For additional information on the prioritization of survey activities please visit <https://www.cms.gov/files/document/qso-20-20-allpdf.pdf>.

SURVEY RESULTS

On April 24, 2020, the Division of Health Care completed COVID-19 Focused Survey at Grand Haven Nursing Home to determine if your facility was in compliance with Federal requirements related to implementing proper infection prevention and control practices to prevent the development and transmission of COVID-19. The survey revealed that no deficiencies were cited. A copy of the Form CMS 2567 is attached.

QUALITY IMPROVEMENT ORGANIZATION (QIO) RESOURCES

The Quality Improvement Organization (QIO) Program is committed to supporting healthcare facilities in the fight to prevent and treat COVID-19 as it spreads throughout the United States. QIO resources regarding COVID-19 and infection control strategies can be found at <https://qioprogram.org/covid-19>. This page will continue to be updated as more information is made available. QIOs will be reaching out to Nursing Homes to provide virtual technical assistance related to infection control. QIOs per state can be found at <https://qioprogram.org/locate-your-qio>.
